## STRATEGIC & PROLIFIC BRAND STORY-TELLING

*Brand & Design | Digital Communications | Business Development  
Holistic Experience Design | Government & Commercial Tech*

### **DIRECTOR, COMMUNICATIONS & BRAND, Business Integra, 11.2022–Now**

Serving as visual designer, front-end Wordpress web developer, social media designer and content strategist and copy editor with a focus on holistic brand experience. Planned and executed a comprehensive transformation of the corporate brand identity and voice of a legacy enterprise in the federal technology consulting industry, as it bloomed into its large business status – within 9 months.

- Conducted interviews and brand audit / assessment for brand refresh planning
- Built out and executed a strategic communications & brand transformation plan
- Modernized existing brand identity across all touchpoints & created new branding for 4 products, 2 other related entities.
- Created processes, design systems and design/web/content deliverables for new intranet portal, new BD library in SharePoint, **new joint-venture website (BME)**, social media engagement strategy and **new corporate website**.
- Provided direct access to design, branding, human-centered design and digital marketing expertise for BD executives, internal teams and corporate initiatives
- Overhauled social media presence and **tripled followers** on LinkedIn.

### **VP, DIGITAL SERVICES & BD OPERATIONS (6 months)**

#### **Creative Director (3 years), Sr. Designer (1.5 years)**

**NewWave, 09.2017–11.2022**

Served as Creative Director and graphic designer, *plus* managed additional responsibilities as a strategic conduit and advocate for cross-team communications between business development and strategic brand communications team. Also managed business development personnel and acted and as a streamliner of capture and proposal team operations. Executive Steering Group member.

- User-centered design leadership, process improvements, design systems, and healthy ecosystem for capture, proposals, design and digital marketing teams.
- Elevated brand awareness through visual design, branding, motion graphics, **experience design, augmented reality, web, social media, wireframes**
- Architected UX, designed UI for **intranet staff portal**
- Executed holistic **experience design for industry tradeshow, including multi-level, 1,500sq. ft. booth, marketing materials, in-booth events, social media promotion, videos, swag, touchscreens, augmented reality experience**
- Overhauled social media design process, content and analytics; improved web domain authority
- Developed **complex RFX infographics** and presentations for procurement awards totaling over \$800M.

### **SENIOR DESIGNER | MayaTech Corp, 06.2016–09.2017**

Developed federal initiative's brand identity, 508-compliant publication and digital communication assets for **National Viral Hepatitis Action Plan** – for the Office of AIDS, HIV & Infectious Disease Policy (OHAIDP) within **HHS**. Worked alongside team of researchers and directly represented this work on-site in DC, to federal customers within HHS. *1 year government contract came to a natural close.*

*"When the artist is alive in any person, whatever his kind of work may be, he becomes an inventive, searching, daring, self-expressive creature. He becomes interesting to other people. He disturbs, upsets, enlightens, and opens ways for better understanding. Where those who are not artists are trying to close the book, he opens it and shows there are still more pages possible."* - Robert Henri, *American Painter*
